FTP SITE INSTRUCTIONS

FTP Site: For clients looking to post only to our ftp site, our address is: [ftp.travergraphics.com](ftp://travergraphics.com)
This should take you to an incoming folder. Open this folder and you should be able to drag and drop your files into it.

For clients looking to to post and pull from our ftp site, some sort of ftp client software is essential. **Fetch** is the most commonly used software.

If you are going to be transferring files with us on a regular basis, we can establish a client folder within the incoming folder for you.

File Types: Zipped or stuffed files work best.
Corruption may occur without doing this step.

Logging On: Once inside your ftp client software you can log on with the following information:

Hostname: ftp.travergraphics.com

Username: traver

Password: jargon3know

Path: ftp/incoming
